

Espresso Bikes

The Experience

Bye, Bye Boredom!

Finally, a cardio experience that truly engages and excites members. Dynamic. Interactive. Personalized. Over 30 virtual environments to attract new members and keep them coming back! Realistic rides. In-ride games. Stunning graphics. It's cardio, only cooler.

Plus Espresso Bikes are always changing – with an Internet connection, you get new courses automatically, increasing the value of your investment.

- ▲ Your members can ride off-road with **Espresso Chases™**. Follow easy gameplay rules. Learn simple strategies to improve their score. It's so engaging, time flies by!
- ▶ Motivate your members with Basic-to-Extreme rated interactive Tours – ride from the California Coast to the Peruvian Mountains. Even in Outer space! New **Power Assist™** allows riders to experience Tours at a quicker pace.

Watch TV or listen to music! Everything from Rock and Urban to Latin and Country. Members in the same facility can also compete or ride cooperatively.

After the workout, go to **espresso.net** to track results and see rankings on Espresso's online Leader Boards.

Heads-Up Display and Gear Indicator

Real-time fitness information helps you monitor your workout. Pedal resistance changes with the terrain, just like riding a real bike.

Special Features

(Recumbent and Upright, unless noted)

- 1 Video Screen**
LCD high-contrast screens are designed for easy viewing and are protected by rugged splashguards.
- 2 Standard Headphone Jack**
Members can use their own headphones to enjoy the latest in Internet music.
- 3 Keypad**
- 4 Polar®-Compatible Heart Rate Sensors**
- 5 Steering and Shifting Controls**
Engage the upper body creating a realistic riding experience.
- 6 Low-Profile, Adjustable Seat Post**
(Upright only) Supports an even wider range of rider heights.
- 7 Ergonomic Seat and Back Rest**
